### AFFAIRS IN BROOKLYN.

THE ANNEX TO THE BROOKLYN HOSPITAL A FINE BUILDING WITH ALL MODERN IMPROVE-

PROMINENT ARRIVALS AT THE HOTELS.

Ing is of red pressed brick with a stands on the Dekalbave, side of the hospital, facing Raymond-st. It is thirty-five by seventy feet, and three stories in height. The cost has been about \$60,000. The first floor is fitted up for the Orthopedia F. Orange, of Paris. MARLBOROUGH—Ex.Governor for a materaity, and the third floor with private forms for patients. It is finished in hard wood, with recement floors, and every sanitary convenience and appliance has been adopted for it. The basement of the new building is used for a large laundry, and adjoining it is a new steam plant for boards. the new building is used for a large laundry, and adjoining it is a new steam plant for heating the

entire hospital. The Orthopedic Dispensary, which will find ampler querters in the new building, was opened in 3 p. m. 1845, and there have been about 10,000 cases of New various deformities treated in it. The new rooms include a waiting-room, reception-room and operatingroom. The dispensary is open Tuesdays and Fridays, from 2 to 4 p. m. Last year there were 475 new

At the Brooklyn Hospital, the oldest institution of its kind in the city, there were 1.323 patients treated last year, of whom 1.149 were free patients. Since it was opened the hospital has treated 42.740 patients. The following are the officers. President, William G. Low; vice-president, Henry P. Morgan; treasurer, Edward Merritt; secretary, Edward H. Kidder; trustees, Alexander M. Whije, Henry P. Morgan, Simeon B. Chittenden, Edward Merritt, William G. Low, Bryan H. Smith, Edward H. Kidder, John F. Halsted, Abram B. Baylis, Joseph E. Brown, Henry E. Pierrepont, Frank Lyman, Cordandt P. Dixon, George C. White. Henry F. Noyes, Richard S. Barnes, William J. Matheson, Williams Mynderse, H. V. V. Braman, James H. Frothingham, Frederick A. Dwight, Theodore Dreier, David G. Leggett; Mayor of the city ex-officio; Dreler, David G. Leggett; Mayor of the city ex-officio; superintendent, Charles V. Dadley; attending physicians, Robert Orndsten, Alexander Hutchias, Arthur R. Frine, samuel Sherwell; attending surgeons, S. Fleet Speir, John D. Rushmore, William H. Bates, Edward A. Lewis; Daniel E. Kissam, consulting surgeon, resident physicians and surgeons, H. M. Waugh, surgeon; Corneius Duggam, physician; P. Chalmers Jameson, physician; John H. Dent, ambulance surgeon; critiopedic Infirmary, J. D. Rushmore, surgeon in charge; B. B. Mosher and F. C. Raynor, assistants; house committee, William G. Low, C. P. Dixon and H. F. Noyes.

TO TAKE ADVANTAGE OF THE OFFER. There was a meeting of the representatives of the various medical societies of Brooklyn, of the regular hool of medicine, last evening at the house of Dr. A. J. C. Skene, No. 167 Clinton-st., to consider plans for taking advantage of tife offer by Dr. Cornelius L. Hoagland of \$50,000, on condition a like amount is raised by the societies, for the erection of a building for the joint use of the societies for their regular for the joint use of the societies for their results meetings and to serve as an Academy of Medigine. Among the societies represented were the Kings County Medical Society, the Kings County Medical Association, the Brooklyn Gynecological Society, the Brooklyn Pathological Society and the Surgical Society. Dr. Skene presided and Dr. F. D. Bailey was secretary. The generous offer of Dr. Hoagland, who gave the Hoagland Laboratory to the Long Island College Hospital, was warmly commended by several of those present and it was decided to take such steps us present and it was decided to take several and it was decided to take would make it available. After considerable discussion the details of the plan to raise a sum equal to that offered by Dr. Hougland were referred to a committee of one from each of the eleven organizations represented, to report back to the central body a plan to be referred to each society for its approval.

### HE PROBABLY ELOPED WITH MISS LAW.

When Joseph D. Clayton, who manages a plumbing shop at No. 1,896 1-2 Fulton-st., was arraigned in the police dourt at Gates and Reid aves, yesterday on a charge of stealing clothing and personal property worth \$08 from the house of John G. Law, at No. separate schemes for the apportionment of delegates it may have been set on fire by a tramp, who may the alleged elopement of Mr. Law's daughter Annie, nineisen years old, with him. He has fived with his mother and sister at No. 57 1-2 Emfalo-ave, since one delegate-at-large for each town and ward of a The loss is about \$10,000; insured... Deep are his wife separated from him several years ago. Recently he has been frequently seen with Miss Law. Her father is related by marriage to "Boss" Mcdin, and has a place in the City Works Depart-Miss Law, whom her father had forbidden ment. Miss Law, whom her father had forbidden to meet Clayton, disappeared from her home on Sat-urday night with her clothing and money. She has not been found by her frierds. Clayton was away from his home Saturday evening and Sunday, but was at his place of business on Tuesday and was arrested. He denied vesterday that he had eloped with Miss Law, but said he knew where she was. In default of ball he was sent to Raymond Street Jail.

the wife of Michael Maher, a moulder, employed at Tattle & Bailey's foundry, in North Eleventh-st. Mrs. Maher only recently recovered from a severe illness, and since that time, it is said, her actions have been strange. It is believed that white suffering from an attack of melanchely she gave the hight, and his mother awoke him and forced him to take the poison. The Bittle boy had retired for the night, and his mother awoke him and forced him to take the poison. The boy did as his mother requested, and while he was writhing in agony she mixed a dose for herself and swallowed it as she stood by his bedside. The husband of the woman at the time was chopping wood in the collar. When he reached his apartments he was hopping. and while he was writhing in agony she mixed a dose for herself and swallowed it as she stood by his bedside. The husband of the woman at the time was chopping wood in the cellar. When he reached his apartments he was horrified to see his wife and hop visiting on the foor in terrible pain. Dr. Dillon, of No. 102 North Sixth-st. was called in and worked for several hours with the sufferers, releving them somewhat. When the woman was asked why she in a great was ground to the postored of the postored of the postored upon and the graduates were the flev. ### VICTORY SURE FOR GOVERNOR M'KINLEY.

Ex-Congressman A. L. Conger, of Ohio, was at the Pitth Avenue Hotel yesterday and met many of his Pitta Avenue Horr year-ray and met many of may positive in friends. Mr. Conger has been a member of the National Republican Committee and is actively interested in the politics of his State. He said yesterday that there was little doubt that Governor McKinley would be re-elected by a handsone purcility. There was much enthustaem among the Republicans, he said, and Governor McKinley's personal popularity was great. An interesting compaign was expected, ending in a Re-

publican victory.

Mr. Conger added that the most prominent persons whose names had been mentioned for the Democratic nomination for Governor were ex-Governor James E. Campbell and Lawrence K. Nesl.

A rumor said to have its origin in Washington, was circulated yesterday raviving the report that "Boss" McLaughila, of Brooklyn, was pushing State Ratiroad Commissioner Affred C. Chapin, ex-Mayor of that city, for Collecter of the Port of New-York. Credence is given to the statement in some quarters because it is agreed that Mr. Cleveland is anxious to enlist the services of the Brooklyn potentate on the side of the Adminisof the Brooklyn potentate on the side of the Adm tration in its fight against the State machine. In known that Mr. McLaughlin is not averse to taking a hand in the contest, and many good politicians are pretty

### MR. BRADY EXPLAINS.

C. P. HUNTINGTON'S WINDOW AND THE DEPARTMENT OF BUILDINGS.

THE SUPERINTENDENT SAYS THE LAW MUST BE ENFORCED-VIEWS OF MR. HUNT-INGTON'S COUNSEL.

Workmen were busy in and about Collis P. Hunt-ington's new granite dwelling, at Fifth ave, and Fifty seventh-st., yesterday, and the bay window, which is structed, Thomas J. Brady, the superintendent of buildings, says that the Southern Pacific magnate is told yesterday how proceedings to punish him therefor had been begun. The great granite structure has been more than four years in building, and the worst of it all is that now its owner may not occupy it. since he awarded the contracts for his New York mansion Mr. Hantington has purchased a villa in California and will spend his winters there.

"My house in Fifty-seventi-st, is by no means completed yet," self Mr. Huntington yesterday, "I shall complete it, but I don't see where I shall get much time to occupy it."

There are some inings of interest about these con-tempt proceedings, besides the fact that they affect one of the most splendi! of the structures near the lirady says, they have always before been obeyed. the tearing down of partially completed windows. Mr. Brady is careful to insist that the department is not pushing this case merely because it affects Mr. Huntington, or because the property in question is

tington," said he yesterday afternoon, "but we don't propose that he shall override this department. prevent the building of this boy under, and then sit calmiy by and see the order disobeyed?" The reporter supposed not, and Mr. Brady looked

There has evidently been a deal of misunderstanding about that window, which now rests so proudly on a solid stone foundation and greets passersby with

a cold stare from the griffin heads on its capstones. The varying versions of the complication are here "Somebody served some papers about something or sald Mr. Huntington, in his affice in the Mills building. "I turned them over to my lawyer, and hardly knew what they were until

I read The Tribune this merning. The lawyer told me, two years of so ago, that the thing was all straight, and I could go alone and build the window. int is all I know about it."

"The matter will be adjusted to the satisfaction of the Department of Building," added Mr. Houting-ton," but I do not see why the public should be in-

Pactic system, and is also Mr. Huntington's mayer. "The case is simply this," said Mr. Tweed. "The

than a stoop would be." "Supposing that Mr. Huntlagton were convicted of contempt of court, what would the penalty be?

"Oh, that would be for the court to say," was the reply. "The window is built, and the court would WHITE PLAINS. | crime. I guess there will be no serious trouble, but The Board of Trustees on Thesiay evening decided if the case is pressed in court it will be an inter-

gate as he took the reporter's card. "It's a wonder he can stand it, him being such a little man like." Mr. Brady is small, but he is also energetic.

"We published an article about you this morning Mr. Brady," said the reporter. "I have just had the pleasure of reading it," he replied, with a broad smile. Then he plunged

into an explanation of the position of the Department of Buildings regarding the bay window. "Steeps are authorized by a city ordinance," he aid, "and a city ordinance is law. Now the city

CIGARETTES FOR HIS PRODIGAL SON'S SOLACE.

A pilleeman yesterday arrested Albert Daniels, sixteen years old, of No. 630 Adams-st., and charged the boy with having stolen some chocolate from the Rotterdam pier. While the boy, who is small and sickly, was occupying the time as best he could belind the bars of his cell, his father entered the police station. His father, a small man, remarked to the sergeant that he had been informed of the boy's arrest and said: "I thought that I'd cell around and give the lad a package of cigarettes, because he must be lonely."

The father was permitted to go to the cell where his boy was confined, and without preliminaries he said:

"Bert, here's some cigs, to keep you company."

"Tanks," the boy Teplied, and he took the package of this charged the while the liquinction was being arraned, and completed it without regard to what the court had to say. The laws must be enforced, and the fact that c. P. Huntington owns this particular house made next the house are also made next to be lift, and builders of the house are also made next to be some cigs, to keep you company."

Tanks," the boy Teplied, and he took the package and down his duty by his son in the time of adverting the package and made next to be lifted with the knowledge that in had done his duty by his son in the time of adverting made next.

### ALMANAC. TRIBUNE 1893.

### THIRD EDITION.

Revised to April first, and containing the new Administration and new Congress.

A great number and the most trustworthy of books of reference.

### 25 CENTS A COPY.

THE TRIBUNE,

# O'Neill's

6th Ave., 20th to 21st St.

## Men's Neglige Shirts.

Silk. Silk and Wool, Madras, Oxford, Cheviot, Chambray.

Latest Shades and Weaves. Moderate Prices.

6th Ave., 20th to 21st SL

Nothing better than worsted for the man that must be dressed "as well as the next one," though for coolness our half-lined cheviots, tweeds and homespuns (especially the light and medium shades) are better. Our plain white neglige shirt is as

elegant as neglige can be and is only one of a great many sorts. And there isn't room left to say a word about straw hats and russet

ROGERS, PEET & CO.

BROADWAY | Prince. Warren.

Convenience and Economy

## Liebig Company's Extract of Beef

The best way to improve and strengthen Soups and Sauces of all kinds is to add a little of this famous product.
